**Mechanical harvest**

## VINIFICATION

**Vinification** : traditionnal

**Ageing** : 12 months in barrels in exclusive one or two years oak french barrels

## TASTING COMMENTS

Intense and deep dress

This wine has a nose marked by the very ripe red berries: cherries, raspberry.

In mouth, its attack is powerful and fleshy, associated with a real basket of red berries. Its finale is long and very drinkable, keeping a considerable dissolve.
